Using Gift Aid means that for every pound you give, the charity you are supporting will receive an extra 28 pence from the Inland Revenue, helping your donation go further.

This means that £10 can be turned into £12.80 just so long as donations are made through Gift Aid. Imagine what a difference that could make, and it doesn't cost you a thing.

So, if you want your donation to go further, Gift Aid it. just complete this form and return it to us.

I would like to make a donation to the Exeter and District Kidney Patients' Association using Gift Aid. My details are:

_____ Postcode _____

To qualify for Gift Aid, what you pay in income tax or capital gains tax must at least equal the amount the charity will claim in the tax year.
