# Come and Join Us

**The Exeter and District Kidney Patients' Association is here to help each and every one of our renal patients – with some needing our support more than others.**

We would like to encourage transplant/dialysis/young members and/or their partners/carers to join the committee to bring fresh ideas. It really is a way of supporting your fellow patients (whether pre-dialysis, dialysis or transplant) and having a say in how the Association is run.

Please give it a try. You will also find a friendly and supportive welcome as a member of the committee and hopefully have some fun too.

We meet once every three months at the RD&E, and transport costs are payable.

If you could spare a few evenings during the year, please add your nomination below. Either by post or email.

Nominations to the committee and any extra items for the agenda to be sent to Mrs J Aplin, 13 Crowden Crescent, Tiverton, Devon. EX16 4ET or email [jeanaplin@live.co.uk](mailto:jeanaplin@live.co.uk)
