

If you need financial support, we're here for you

If you're just one unexpected bill away from not being able to cope any more, you don't need to face it alone.

Kidney Care UK and Exeter & District KPA are working together to make sure Exeter kidney patients can get the support they need at this challenging time.

Get support with financial worries

We may be able to support you with a grant towards:

Purchasing essential items

The rising cost of living and paying bills

Improving your quality of life, such as with mobility aids

A holiday or respite break

Funding higher education or training schemes

Need further support from Kidney Care UK?

Newly diagnosed? Need a helping hand? No matter what is causing you to worry, talk to us.

Our advocacy team are here to help you by listening to you, and guiding you through your options. This could include accessing Kidney Care UK support services, getting welfare and benefits support or considering your treatment options.

You can also talk to our team of counsellors for free and confidential emotional support. This could include helping you to come to terms with having kidney disease, feelings of stress, being depressed or anxious and emotional difficulties brought about by illness.
